```scss
// Mixin usage

.tooltip {
  $tooltip-color: hsl(0, 0%, 100%);

  position: relative;
  padding: 16px;
  background-color: $tooltip-color;
  box-shadow: 0 2px 10px 0 rgba(gainsboro, 0.3);
  border-radius: 8px;

  &--down::after {
    @include css-triangle($tooltip-color, 'up');
  }

  &--up::after {
    @include css-triangle($tooltip-color, 'down', 10px);
  }

  &--right::after {
    @include css-triangle($tooltip-color, 'left', 10px);
  }

  &--left::after {
    @include css-triangle($tooltip-color, 'right');
  }
}
```
